Each game was exciting and down to the wire with eventual champions Silver Lake and Bridgewater-Raynham as well as perennial powerhouses such as Plymouth barely winning closely fought contests. Michael Robinson was selected as an All-League forward having scored 13 goals with strong support from the whole team. The outlook for the future is bright with extremely talented veterans returning and enthusiastic new blood coming from the aggressive J.V. and freshmen.

1988-89 was a successful year for the Wildcat Hockey team. After finishing a strong third in the old colony league, Weymouth South advanced to the state tourney. The Wildcats had a convincing 8 to 0 win over a pesky Marblehead squad before secumbing to B.C.High in the quarter final round. Our final record of 12-4-3 is a reflection of our never ending hustle and determination.

This past season, Spring 1988, was a spectacular one for Weymouth South Lacrosse. We were co-champions of the south division and made it all the way to the Eastern Massachusetts final. Overall record was 15-3 . These accomplishments are particularly remarkable in view of the fact that it was only our second varsity season and we had only won once the year before.
Along with Scott Hickey, Michael Toth, and Rich Lang we begin our 1989 season with a formidable and enthusiastic veteran group. We can't wait to start!
